

LITTLE LAMBS NEWSLETTER

BRINGING IN THE NEW SCHOOL YEAR!

Children have transitioned into their new rooms for the 2022-2023 school year *successfully!!*

Our first week was a transition week that was tough on some of us, but we have come through with *flying colors!*

Our preschool parents had a teacher meet and greet on the 25th of August, and plans are under way for field trips and parties!

We want every parent to know that your child is loved and cared for every day by wonderful highly trained staff! If there is ever a problem, do not hesitate to let the teacher or one of the directors know. We want your experience at Little Lambs to be the best!!!

COVID IS STILL WITH US!!

It is the policy of LLECC that only sick individuals must stay out 5 days or until fever free. WE NO LONGER QUARANTINE OR ISOLATE, so our classrooms will be open! We will notify you if your classroom has a case so that you can watch for symptoms.

GRANDPARENT'S DAY

SEPTEMBER 14TH

3:00 P.M.

Homemade milk and cookies
in every classroom!

Let's celebrate the important role that grandparents play in the lives of our little ones!
